YMCA
of Middle Tennessee

PARENTS with children ages 7-8; starting March 3rd, we will be implementing a new policy for your child if they are 7 or 8 years old. For your child's safety and for their enjoyment every child under the age of 9 must be signed into a facility program. Youth ages 7-8 (mature 6 year olds) will now be located in the Kid Zone Room, M-Th 4:30-7:30. In this room your child will be participating in activities which are age appropriate, such as: arts & crafts, interactive video games, board games, group games, blocks, & Lego's. Your child will still be able to participate in the youth in action activities for ages 7-12. When this room is NOT open they will be allowed in the Teen Center but must be signed in. If you have any questions feel free to contact Katye Hendricks.
