# Medicare Annual Enrollment Education

**YOU'RE INVITED!** Whether you've been on Medicare for years or you're about to turn 65, you won't want to miss this seminar on the Four Parts of Medicare and upcoming changes for 2026.

Travis Hague and Matt Hendrix, from i2 Agency, have been trusted partners of the YMCA for the past 14 years.

i2 Agency provides unbiased, **No Cost, No Obligation Consultations** to members and guests. With all the confusing advertisements, i2 educates you on what is real and what is filler. As independent brokers, they will be well equipped to help you navigate your way through the Medicare maze!
