Experience It! Conwy, Wales

One of the loveliest towns to explore on the northern coast of Wales is Conwy (from Old Welsh cyn "chief" and gwy "water"). Originally an English military outpost built in the 13th century, it retains beautifully preserved medieval walls as well as the towering fortress known as Conwy Castle, with eight lofty towers complete with spiral staircases. This mighty monument, standing high above the small town and the riverbank, was built, amazingly, in just four years by the English King Edward I and his architect. UNESCO has designated the castle a World Heritage Site, noted as one of the finest examples of late 13th- and early 14th-century military architecture in Europe. Stretching across from the castle lie the town, the river, and the craggy mountains of Snowdonia. The town itself, notable for its scenic harbor front, is dotted with quaint cafés, tearooms, and markets that beckon travelers.
